Definition 1.1 (Concept)**.** State the objects, data, and conditions of the definition here.

Theorem 1.2 (Result)**.** *State the hypotheses and conclusion. Do not hide essential assumptions.*

Proof. Write the proof here. A long argument may need a brief roadmap; a short one need not. □

Remark 1.3. Explain an application or limitation; omit this paragraph when it adds nothing.

Reference examples: definition 1.1, theorem 1.2, and remark 1.3.
